

Life of
faith

Dear God, everywhere I walk, let it be on your path. Everything I see, let it be through your eyes. Everything I do, let it be your will. For every hardship I face, let me place it in your hands. Open my heart to your ways. Amen.

As you gather share a response to one or more of the following questions...

- What is something you're especially grateful for today?
- Where have you seen God at work recently?
*(an act of kindness, something that sparked joy,
God using you in a situation)*
- Share a concern you'd like prayers for.
